

China Trademark Classification

Class 17

Update Date: January 11, 2026

Unprocessed and semi-processed rubber, gutta-percha, tree gum, asbestos, mica and substitutes for these materials; molded plastic and resin products for industrial use; packing, filling and insulating materials; non-metallic hoses and non-metallic flexible pipes.

1701 Rubber, guta gum, gum not belonging to other categories

170017 Raw rubber or semi-finished rubber
170020 Synthetic rubber
170050 Guta Gum
170064 Latex (natural rubber)
170113 Liquid rubber
170114 Rubber water
170117 Raw or semi-processed gums
C170001 Recycled rubber
C170002 Solid coumarone

1702 Non-metallic sealed shock absorber products

170004 Rubber bands
170009 Sealing ring
170009 Waterproof rings
170012 Rubber seal for bottle
170013 Windbreak
170013 Weatherstripping
170015 Weatherstripping material
170018 Rubber plugs
170019 Rubber flap valve
170021 Rubber shock absorbers
170030 Pipe Washer
170030 Pipe Fitting Washers
170040 Caulking Material
170042 Chemical compounds for sealing cracks
170043 Fill the gasket
170043 Sealing gaskets
170048 Partially machined brake liner material
170066 Sealing mud
170067 Non-metallic tube sleeve
170067 Non-metallic pipe sleeve
170068 Rubber sleeve for protecting machine parts
170069 Seals for joints

170076 Rubber or vulcanized fiber gaskets
170082 Rubber or vulcanized fiber valves
170085 Not stationery, non-cosmetic, non-medical, non-household tape
170086 Non-metallic accessories for compressed air pipelines
170089 Non-metallic reinforcement materials for pipes
170092 Non-stationery, non-cosmetic, non-medical, non-household self-adhesive tape
170093 Rubber stops
170118 Tape for sealing pipes
170119 Rubber door stop
170120 Rubber Window Stopper
170123 Rubber mats for anti-collision at the dock
170130 Oil Seal
170131 O-rings
170132 Rubber anti-slip mats
170136 Liquid sealant for transmission
170138 Hazard warning tape
170139 Putty for caulking
C170004 Pressure cooker rings
C170005 Adhesive lining
C170006 Plastic sleeve
C170007 Plastic case
C170008 Asbestos oil packing
C170027 Polyurethane foam caulk
C170030 Chemical compounds for filling cracks
C170031 Chemical synthetics for filling leaks

1703 Rubber, resin, fiber products

170001 Semi-processed cellulose acetate
170002 Semi-processed acrylics
170017 Raw or semi-finished rubber
170031 Rubber rope
170033 Cylinder joints
170036 Ebonite
170038 Non-textile elastic yarn
170038 Non-textile elastic thread
170046 Vulcanized fibers
170047 Plastic welding wire
170047 Plastic wire for welding
170053 Non-packaged regenerated cellulose tablets
170053 Non-packaging regenerated cellulose foil
170072 Non-packaging plastic film
170073 Non-metallic fittings for pipes

170075 Semi-processed man-made resins

170075 Semi-processed synthetic resins

170083 Viscose paper for non-packaging use

170095 Non-textile rubber threads

170096 Carbon fiber for non-textile use

170097 Semi-processed plastic substances

170100 Ebonite Mold

170102 Non-textile plastic fibers

170105 Non-textile plastic thread

170106 Filter material made of semi-processed foam

170109 Rubber material for retreaded tires

170111 Plastic film for agriculture

170112 Foam support for flower arrangement (semi-finished product)

170115 Dye anti-bright film for windows

170115 Anti-bright film (stained film) for windows

170121 Non-metallic attachments for hoses

170122 Non-metallic attachments for rigid pipes

170124 Semi-processed plastic membrane filter material

170125 Plastic filament for 3D printing

170127 Semi-processed acrylic glass

170128 Semi-processed plexiglass

170129 Garments are made of rubber and sewn labels

C170010 Rubber Hammer

C170011 Airbags

C170012 Floats for fisheries

C170013 Agricultural mulch

C170014 Semi-finished sponges

C170016 Electronically controlled light-transmitting plastic film

C170024 Plastic plates

C170025 Plastic rods

C170026 Plastic strips

1704 Hose

170006 Watering hose

170022 Non-metallic hoses

170025 Hose made of textile materials

170065 Canvas water tap

170074 Connecting hose for the radiator of the carrier

170141 Nozzle for watering hose

1705 Moisturizing, heat insulation, sound insulation materials

170003 Asbestos fire curtains

170005 Asbestos slate

170008 Soundproofing materials

170016 Non-thermally conductive materials for thermal insulation 170023

Materials for insulation, thermal insulation, and sound insulation

170024 Heat-resistant radiation compounds

170026 Boiler insulation

170035 Asbestos board

170037 Bark board for soundproofing

170044 Asbestos felt

170045 Felt for insulation, thermal insulation and sound insulation

170056 Fabrics for insulation, thermal insulation, and sound insulation

170058 Building moisture barrier materials

170059 Metal foil for insulation, thermal insulation, and sound insulation

170061 Slag wool for insulation, heat and sound insulation

170062 Mineral wool for insulation, thermal insulation and sound insulation

170063 Glass wool for insulation, heat and sound insulation

170071 Asbestos paper

170078 Asbestos covering

170079 Asbestos fabrics

170080 Asbestos cloth

170081 Asbestos packaging materials

170087 Asbestos thick cardboard

170088 Asbestos fibers

170091 Asbestos

170099 Insulation, thermal insulation, and sound insulation objects

170103 Fiberglass for insulation, thermal insulation, and sound insulation

170104 Fiberglass fabrics for insulation, thermal insulation, and sound insulation 170108

Floating obstacles to prevent pollution

170110 Plaster for insulation, heat and sound insulation

170116 Thermal insulation refractory materials

170135 Acoustic insulation

170140 Polyester staple fibers for insulation, thermal insulation and sound insulation

C170017 Asbestos rope

C170018 Asbestos powder

C170019 Fiberglass insulation panels and tubes

C170020 Waterproof insulation powder

C170028 Asbestos line

C170029 Asbestos belts

1706 Insulating materials and their products

170023 Materials for insulation, thermal insulation, and sound insulation

170029 Capacitor paper

170034 Dielectric (insulator)

170045 Felt for insulation, thermal insulation and sound insulation 170051

Insulating oil for transformers

170052 Insulating oil

170055 Insulating paper

170056 Fabrics for insulation, thermal insulation, and sound insulation

170057 Insulating varnish

170059 Metal foil for insulation, thermal insulation, and sound insulation

170060 Insulating paint

170061 Slag wool for insulation, heat and sound insulation

170062 Mineral wool for insulation, thermal insulation and sound insulation

170063 Glass wool for insulation, heat and sound insulation

170070 Raw or partially processed mica

170084 Insulators for railway tracks

170094 Cable insulator

170098 Insulators for power grids

170099 Insulation, thermal insulation, and sound insulation objects

170103 Fiberglass for insulation, thermal insulation, and sound insulation

170104 Fiberglass fabrics for insulation, thermal insulation, and sound insulation 170107

Insulating tape

170110 Plaster for insulation, heat and sound insulation

170126 Insulating inks

170133 Insulating membrane

170134 Shielding film for electromagnetic interference

170137 Electromagnetic wave absorbing paper

170140 Polyester staple fibers for insulation, thermal insulation and sound insulation

C170021 Insulating electroporcelain

C170022 Insulating coatings

1707 Materials for packaging and filling (including rubber, plastic products)

170011 Waterproof packaging

170014 Rubber or plastic fillers

170014 Rubber or plastic padding material

170032 Cotton wool for packaging (seams)

170041 Expansion bonding fillers

170077 Rubber bags for packaging (envelopes, pouches)

170101 Packaging materials made of rubber or plastic (for shock absorption or filling).

1708 Single Goods

C170023 Sealing Wire (Cigarettes)

End.

The above classification is derived from the Trademark Office of CNIPA and is an English document formed after being translated by software.

At TMRegisterChina (powered by Gomax International, a registered CNIPA IP agent), we help foreign businesses avoid costly rejections through precise Chinese translation, cultural brand naming, and direct CNIPA coordination.
