Class 07

Update Date: January 11, 2026

Machines, machinetools, electric tools; motors and engines (for land vehicles excepted); machine couplings and transmission components (for land vehicles excepted); agricultural implements other than hand tools; incubators; vending machines.

0701 Agricultural machinery and parts (excluding small farm implements)

- 070008 Agricultural machinery
- 070009 Agricultural Lifting and Unloading Machines
- 070028 Plough
- 070043 Threshing machine
- 070051 Harvesting machinery
- 070058 Baler haymaker
- 070058 Hay baling device
- 070089 Corn thresher
- 070089 Grain shelling machine
- 070100 Plowshare
- 070138 Cultivator
- 070148 Shovel the turf plow
- 070158 Drainer
- 070168 Plant stem, stem, leaf separator (machine)
- 070169 Grain thresher
- 070186 Spreader
- 070188 Lawn mower knife
- 070201 Lawn mower
- 070210 Lawn cutter
- 070210 Straw Cutter
- 070213 Harrow
- 070214 Sprayer
- 070223 Lawn cutter blades
- 070268 Harvester
- 070269 Harvesting and strapping machines
- 070270 Harvesting and thresher
- 070323 The rake machine is used for rakes
- 070324 Rake
- 070344 Weeders
- 070348 Planter (machine)
- 070379 Yanggu machine
- 070388 Non-manual farming implements

070513 Motorized cultivator
070577 Agricultural cultivators
070627 Harvesting robots for agriculture
C070001 Rice transplanter
C070002 Tree planters
C070003 Seed germinator
C070004 Biogas discharge machine
C070005 Seed cleaning equipment
C070097 Grinding machine
C070366 Tea pickers

0702 Machinery and apparatus for fishery and animal husbandry

070005 Aquarium snorkel pumps
070153 Pulverizers
070195 Feed mills
070367 Milking machine
070368 Suction cups for milking machines
070419 Industrial shredders (machines)
070431 Animal shearing machine
070442 Incubators
070478 Fishing Gear
070517 Mechanized livestock feeders
C070006 Feed grinder
C070007 Green fodder cutter
C070008 Root chopper
C070009 Feed Digesters (Feed Processing Machinery Parts)
C070010 Honeycomb foundation
C070011 Cage equipment for laying hens
C070012 Honey shaker
C070441 Salt pond flattening machine
C070442 Salt lifter
C070458 Horse walkers

0703 Machinery and apparatus for logging, sawmilling, woodworking and match production

070035 Saw table (machine parts)
070055 Woodworking machines
070071 Tenon and tenon chisel
070071 Planter
070226 Saw blades (machine parts)
070227 Saw blade clamps (machine parts)
070341 Saws (machines)
C070013 Hinge machine

C070014 Raft weaving machine

C070015 Log conveyor

C070016 Machines for making wood chips

C070017 Puzzle machine

C070018 Industrial machines for the production of matches

0704 Machinery and apparatus for the paper making and processing paper products industry

070240 Calender roller

070291 Paper machines

070292 Calender

C070019 Pulp washer

C070020 Pulping machine (for paper industry)

C070021 Pulping machine for papermaking

C070022 Dehydrators (for paper industry)

C070023 Screening machine

C070024 Calenders

C070025 Reels (for the paper industry)

C070026 Flat screen paper machine

C070027 Cardboard machine

C070028 Circular sieves (papermaking machine parts)

C070029 Pulp pumps

C070367 Sanitary napkin production equipment

C070368 Diaper production equipment

C070445 Cooker (papermaking machine parts)

0705 Machinery & Appliances for the Printing Industry 070076

Typesetting Machines (Printing)

070081 Font Mould Box (For Printing)

070112 Typewriter (phototypesetting)

070120 Casting plotter

070140 Printing cylinder

070175 Printing machine inking device

070216 Printing machines used on sheet metal

070217 Print edition

070218 Printing machines

070219 Printing presses

070220 Ink rollers for printing presses

070246 Paper Feeder (Printing)

070303 Letterpress presses

070327 Bookbinding devices and machines for industrial use

070334 Rotary presses

070345 Varnishing machine

070355 Lead plate printing machine

070377 Clamping tray (printing machine parts)
070378 Letterpress printing machinery
070436 Printing typefaces

070580 Industrial inkjet printer
C070030 Lead pouring machine
C070031 Font planer
C070032 Offset presses
C070033 Three-color plate machine (printing industry machinery)
C070034 Automatic collator
C070035 Folding machine

C070037 Eyepuncher
C070038 Lead Casting Machine
C070039 Paper type machine
C070040 Platesetter
C070041 Exposure machine
C070042 Proofing machine
C070043 Paper cutters
C070044 Hot stamping machine
C070045 Marking machine (printing industry machinery)
C070046 Brushing machine
C070047 Transparent wax mesh cable version
C070048 Printing offset
C070049 Printing rollers
C070050 Offset zinc plates
C070051 Foreign Language Templates (for Printing)
C070052 Copper stencil (for printing)
C070053 Corrosion machine for photoplate-making
C070054 High-speed bad board machine
C070369 Nickel mesh for printing

0706 Machinery and components for the textile and knitting industries

070054 Loom reel spools
070057 Hosiery Machines (Machines)
070079 Card clothing (carding machine parts)
070084 Rotary dehydrator (non-heated)
070097 Knitting machine sliding frame
070097 Knitting machine skateboard
070151 Lace making machine
070170 Ejector
070190 Textile Machine
070191 Spinning wheels
070212 Loom transmission gears

070224 Loom shafts

070240 Calender roller

070259 Looms (machines)

070260 Worsted Spinning Machine

070280 Shuttle(Machine Parts)

070292 Calender

070325 Fluffing machine

070329 Loom mending machine

070364 Carding machine

070372 Ribbon looms

070374 Knitting machine

070496 Machines for the textile industry

070602 Needles for knitting machines

070604 Needles for wool combers

C070024 Calenders

C070057 Ginning machine

C070058 Flower cleaning machine

C070059 Cottonseed depiling machine

C070060 Cotton dryer

C070061 Bouncy machine

C070062 Wind-powered seed cleaner

C070063 Spring-toothed rack

C070064 Stripping machine

C070065 Kneading machine

C070066 Playing machine

C070067 Wild fiber warping machine

C070068 Down processing equipment

C070069 Silk reeling machinery

C070070 Silk spinning machinery

C070071 Paper bobbin (textile machine accessories)

C070074 Rayon machinery

C070075 Fiber nylon drawing equipment

C070076 Synthetic fiber equipment

C070077 Carpet making machinery

C070078 Carpet flocking machine

C070079 Electric Blanket Loom Machine

C070080 Flat blanket machine

C070454 Knitting needles

C070455 Warp knitting needles

C070456 Flat knitting needles

0707 Machinery for the printing and dyeing industry

070362 Dyeing machine

070595 Sizing machine
C070081 Mercerizing machine
C070082 singeing machine
C070083 Flat washing machine
C070084 Steamers

C070085 Hot air drying screening
C070086 Printing and dyeing rollers
C070087 Printing flower tube engraving equipment
C070088 Printing machine cooking pot

0708 Machinery for the tea industry

C070089 Tea-making machinery
C070090 Rolling machine (for tea industry)
C070091 Withering machine (for tea industry)
C070092 Finishing machine (for tea industry)
C070093 Dryer (for tea industry)
C070094 Inclined pot machine (for tea industry)
C070095 Unblocking machine (for tea industry)
C070096 Tea brick pressing machine

0709 Machinery and components for the food industry

070007 Stirring motive
070026 Blender
070038 Milk blender
070042 Pulverizer (machine)
070046 Cream machine
070065 Bottle rinser
070083 Milk fat separator
070087 Centrifugal mills
070211 Electric meat grinder
070211 Electric meat grinder
070222 Cheese machine
070262 Stone grinding
070266 Flour grinder
070267 Mixers (Machines)
070288 Bread cutter
070295 Dough mixer
070296 Electric pasta making machine
070346 Sausage making machine
070356 Sugar machine
070419 Industrial shredders (machines)
070423 Electrical machinery for food production
070454 Peeler

070455 Vegetable crusher
070533 Basket presses
070561 Grinders
070565 Electric juicer
070609 Soy sauce making machine
070610 Miso Making Machine

070620 Fruit pitting machine
C070098 Rice mills
C070100 Dough sheeter
C070101 Dough cutting machine
C070102 Biscuit Printer
C070103 Vermicelli Maker
C070105 Steamed bread machine
C070106 Dumpling making machine
C070107 Oil presses
C070108 Sugarcane presses
C070109 Machinery and equipment for the canning industry
C070110 Can washer
C070111 Bean sprouts machine
C070112 Fruit peeling machine
C070113 Colloid mill (for food industry)
C070114 Food packaging machine
C070116 Slaughtering machine
C070370 Refiners for the food industry

0710 Machinery for the brewing and beverage industry

070012 Pressure device for pumping beer
070056 Beverage refueling equipment
070065 Bottle rinser
070066 Brewing machines
070102 Wine presses
070163 Soda refueling equipment
070164 Drinking water mineralization equipment
070315 Electric beverage maker
070565 Electric juicer
070611 Robotic arm for beverage preparation

0711 Machinery for the tobacco industry

070103 Industrial cigarette machines
070255 Tobacco processing machines

0712 Machinery for the leather industry

070136 Leather machine

070157 Peeling machine
070166 Meat remover (for leather industry)
070240 Calender roller
070292 Calender
C070118 Tanning machines (for the leather industry)
C070119 Leather grinding machine
C070120 Optical Jet (for Leather Industry)

C070121 Embossing machine
C070122 Ironing machine (for leather industry)
C070123 Color-spraying machine (for leather industry)
C070124 Leather spraying machine
C070125 Leather dresser

0713 Machinery for the sewing and footwear industries

070067 Embroidery machine bandage
070111 Sewing machine pedal drive
070128 Stitching machine
070283 Hemming machine
070328 Ironing machine
070352 Shoe lasts (machine parts)
070408 Spools (machine parts)
070440 Sewing machine
070480 Portable rotary steam press for textiles
070603 Needles for sewing machines
C070126 Overlock sewing machine
C070127 Locking machine
C070128 Edge prying
C070129 Sole press cutting machine
C070130 Shoe mending machine
C070131 Cloth cutting machine
C070132 Blanking machines (sewing machines)
C070133 Industrial sewing machine benchtops

0714 Equipment for the bicycle industry

070512 Bicycle assembly machinery
C070134 Machinery and equipment for the bicycle industry
C070135 Chain machine
C070136 Rim machine
C070137 Rolling Fender Machine

0715 Ceramic, brick, tile manufacturing machinery

070420 Rotary wheel for potters
C070138 Machinery and equipment for the ceramic industry (including ceramic machinery for construction)

C070371 brick making machine
C070372 Tile making machine

0716 Industrial Engraving & Marking Machinery

070207 Engraving machine
070580 Industrial inkjet printer
070597 Portable laser engraving machine

C070055 Plastic sleeve printing and cutting machine
C070056 Plastic wire printers
C070295 Wire printers
C070373 Computerized engraving machine
C070374 Computer cutting plotter
C070375 Computer cutting plotter
C070440 Industrial Marking Machines

0717 Battery-making machinery

C070139 Battery machinery
C070140 Rolling mills (battery manufacturing machinery)
C070141 Battery cell processing machines
C070142 Upper battery bottom machine
C070143 Special machinery for the battery industry

0718 Miscellaneous Goods Processing Machinery

070119 Rope making machine
C070145 Silkworm seed dehydrator
C070146 Reed weaving machine
C070147 Straw mat machine
C070148 Straw mat weaving machine
C070149 Straw hat machine
C070150 Chopstick making machine
C070151 Peeling and shell opening dual-purpose machine
C070152 Pen-making machinery
C070153 Candle making machine

0719 Enamel Making Machinery

C070154 Enamel making machinery

0720 Bulb Making Machinery

C070155 Bulb making machinery

0721Packagingmachinery(excludingspecialpackagingmachineryforcompletesetsof equipment)

070004 Industrial tape dispensing machines
070052 Strapping machine

070064 Bottling machines
070177 Packing machines
070294 Baler
070347 Industrial sealing machines
070353 Loaders
070410 Bottle Cap Stopper
070411 Bottle capping machine

070412 Bottle sealer
070499 Packaging machinery
070541 Electric device for plastic sealing (for packaging)
C070156 Ironing machine
C070157 Banknote bundling machine
C070377 Pneumatic strapping machine

0722 Civil Coal Processing Machinery

C070158 Honeycomb coal machine
C070159 Briquette machine

0723 Kitchen appliances (excluding cooking, electric heating equipment and kitchen tools)

070007 Agitator
070026 Blender
070087 Centrifugal mills
070211 Electric meat grinder
070211 Electric meat grinder
070231 Dishwasher
070256 Electric crusher for kitchen
070267 Mixers (machines)
070277 Non-manual grinders for home use
070287 Electric can opener
070307 Non-manual pepper grinder
070403 Electric agitator
070415 Non-manual coffee grinder
070444 Electric mixers for home use
070445 Electric machines for kitchens
070459 Electric whisk for home use
070460 Household electric fruit press
070475 Electric food processors
070553 Electric mill for kitchen
070565 Electric juicer
070578 Electric screw vegetable cutter
070585 Electric cheese slicer
070586 Electric vegetable peeler
070590 Electric vegetable shredder

070590 Electric vegetable slicer
070625 Electric food vacuum sealer for household use
C070160 Household vegetable cutters
C070161 Home meat slicer

0724 Washing machine

070084 Rotary Dehydrator (Non-Heated)
070234 Washing machine

070236 Coin-operated washing machine
070239 Washing dryer
070588 Washing machine with drying function
070588 Washing machine with drying drum
070589 Portable ultrasonic laundry equipment
C070379 Dry cleaner

0725 Machinery and components for the pharmaceutical industry

070042 Pulverizer (machine)
070087 Centrifugal mills
070153 Pulverizers
070593 Bioreactors for biopharmaceuticals
C070162 Machines for the pharmaceutical processing industry
C070163 Pill making machine
C070164 Sugar coater
C070165 Tablet presses
C070166 Drug grinder
C070167 Centrifuges for pharmaceutical agents (excluding chemical centrifuges)
C070168 Plate and frame filter press for pharmaceutical agents (excluding plate and frame filter press for chemical industry)

0726 Rubber & Plastics Industrial Machinery

070206 Molding machines
070384 Vulcanizers
070544 Machines for plastic processing
C070169 Rubber cutter
C070170 Rubber mills
C070171 Rubber mixers
C070172 Rubber washer
C070173 Rubber wipe
C070174 Glue machine
C070175 Gel strainers
C070176 Tire building machine
C070177 Plastic pelletizer
C070178 Dry-plastic molding tile press

C070179 Injection molding machines
C070180 Electronic Stamping Machine (Plastic Printing Surface Treatment)
C070181 Molds for processing plastics
C070182 Plastic winding machine
C070380 Equipment for making plastic drums (cans).
C070436 Machinery for the production of racket strings

0727 Machinery for the glass industry

070382 Glass processing machines

C070183 Machinery and equipment for the glass industry (including daily glass machinery)
C070184 Automatic Blowing Machines (Glass Processing Machines)
C070185 Bottle making machine
C070186 Tube Strippers (Glass Processing Machines)
C070187 Tube Reeling Machines (Glass Processing Machines)
C070188 Pipe grinding machine (glass processing machine)
C070189 Polished glass polisher
C070190 Glass cutting machine

0728 Fertilizer Equipment

C070191 Fertilizer manufacturing equipment
C070192 Synthesis tower (fertilizer manufacturing equipment)
C070193 Condensing towers
C070194 Copper washing tower
C070195 Caustic washing tower
C070196 Ammonia separation towers
C070197 Oil filter tower
C070198 Urea synthesis tower
C070199 Washing towers

0729 Other machinery for the chemical industry

070490 Electric machinery for the chemical industry
070624 Chemical reactors for production
C070200 Sulfuric acid manufacturing equipment
C070201 Soda ash manufacturing equipment
C070202 Synthetic alcohol equipment
C070203 Electrolysis of water to hydrogen and oxygen production
C070204 Machinery and equipment for glycerol phenolic production
C070205 Coking equipment
C070206 Equipment for making shellac and bone glue (trough mixer)
C070207 Glue cleaning machine
C070208 Bone crusher
C070209 Glue grinding machine
C070210 Forest products chemical equipment

C070211 Rosin manufacturing equipment
C070212 Wood distillation equipment
C070213 Wood hydrolysis equipment
C070214 Machines for paint processing
C070215 Machinery and equipment for explosives and pyrotechnics
C070216 Toothpaste making equipment
C070217 Cosmetics production equipment
